

## Governing Body

### Executive Committee

#### Dr. Amarnath CB

President  
Head-BIM Strategy, L&T Construction.

#### Prof. (Dr.) R Chandrashekhar

Vice President  
Former Chief Architect, MoHFW, GOI.

#### Mr. Sammith S

Secretary  
Principal Attorney, Sanctum Law.

#### Mrs. Hamsaja CH

Treasurer  
CEO, BIMCrew.

### Board Members

#### Er. Vasudevan Suresh

Chairman, IGBC.

#### Mr. Sanjay Pant

Head-Civil Eng., BIS

#### Mr. Anupam Kaul

Former Head (QMS), CII.

#### Ar. Vijay Garg

Former VP, Council of Arch.

#### Dr. V Senthilkumar

Asst. Professor, IIT Palakkad.

#### Dr. Kirti Ruikar

Sr. Lecturer, Loughborough Univ.

#### Dr. Hardeep Singh Rai

Professor, GNDEC.

#### Mr. Pavan Kumar Narella

Director, IABC.

## Honorary Board

#### Prof. Shang Hsien Hsieh

Professor & Chair, Civil Eng.,  
National Taiwan University.

#### Prof. Ioannis Brilakis

Professor, Civil Eng. Div.,  
University of Cambridge.

#### Mr. Richard Petrie,

Executive Director,  
buildingSMART Int.

#### Prof. Calvin Kam

Adjunct Prof., Stanford University.

#### Mrs. Ilka May

Deputy-Chair, EU BIM Task  
Group.

#### Prof. Eduardo Toledo Santos

Asst. Professor, University of Sao  
Paulo.

#### Prof. Peter Demian

Professor, Loughborough Univ.

#### Ar. Ignasi Perez Arnal

Director, European BIM Summit.

#### Prof. Emmanuel Natchitz,

Development Director, ESITC.

#### Mr. Angel Esteve Lopez

Head, Works & Ops., Spanish  
Ministry of Health.

## Invitation to join India Building Information Modelling Association.

Dear Sir / Madam,

IBIMA-[India Building Information Modelling Association](#) is the leading professional national society for Building Information Modelling and Digitalization in Indian AECO-Architecture, Engineering, Construction and Operation sector. IBIMA now offers you a unique opportunity to join the Digital Built and BIM Adoption movement through [IBIMA membership](#). IBIMA membership is open to all AECO organizational stakeholders involved in building, infrastructure and smart cities projects. IBIMA membership provides you certain unique reach and access to BIM technology, process and policy associated resources, thereby providing you a competitive edge. By becoming a member of IBIMA, you are able to receive [IBIMA membership benefits](#) and connect with a community of professionals who would charter the Digital Built & BIM Adoption path for India. IBIMA will offer its platform for AECO sector professionals [AIBIMA & PIBIMA] & their organizations [CIBIMA & SIBIMA], students [GIBIMA] & their Institutions [IIBIMA] with one-time membership for self-sustaining. Membership details are listed below. [Membership procedures](#) is available on India BIM Association page. Please visit us at [www.ibima.co.in](http://www.ibima.co.in). Please write to us at [info@ibima.co.in](mailto:info@ibima.co.in) or call +91 9686623376 (same number for WhatsApp) for further information about membership. Join us at: [Facebook](#); [LinkedIn](#) and [Twitter](#).

**Membership Payments can be done through Debit Card, Credit Card and Net Banking.**

Account Name: India Building Information Modelling Association

Bank Name: State Bank of India

Account No. 38476651369

Address: No. 2, (old no. 125), 5th main, Vijayanagar, Bangalore.

SWIFT code: SBININBB240 | IFSC code: SBIN0007985 | MICR code: 560002012 | Branch code: 7985

## About

IBIMA is registered as a national level not-for-profit society on 2nd April 2019 as per Societies Registration Act 1960 in Bangalore, India (Reg. No. DRB4/SOR/5/2019-2020). Our vision is to serve as the voice of India's BIM community, IBIMA represents, supports and advocates on behalf of the entire BIM community to build a positive business environment for the efficient deployment of BIM and digitalization, for all engaged in utilizing BIM technologies, processes and protocols in India. IBIMA focus on: (1) **BIM education and training**; (2) **Organizing BIM summits and events**; (3) **BIM policy development**; (4) **BIM maturity assessments and certifications**.

Our **Mission** is to provide our Indian BIM Community a collective voice dedicated to BIM technology, processes, and protocols. We offer our members with support, learning opportunities and best practices for BIM in an Indian context while maintaining connectivity with our international partners.

Our **Strategy** is to: 1) Foster an environment of open collaboration and communication with all the Indian BIM community members; 2) Align our organization with professional organizations focused on making BIM the standard and assist in any way possible to produce tangible working methodologies that allow BIM to develop as a standard.

Our **Operational Goals** are: 1) India BIM Association will host workshops/seminars and partner with Indian/Global summits where our Members will discuss and decide upon key issues relating to BIM; 2) India BIM Association will grow membership and professional affiliations for the purpose of fostering collaboration, communication and coordination; 3) We will continually improve upon the delivery of relevant and current BIM related information to our BIM community; 4) We will work towards developing BIM policies and guidelines to benefit the Indian AECO organizations in delivering BIM projects; 5) We will perform BIM maturity assessments and certifications for Indian AECO organizations to help them reach the current market demands.

IBIMA is for all the BIM field players i.e. technology, policy and process field players involved one or the other way in delivering BIM projects in Indian AECO industry. IBIMA is for BIM technology, process and policy fields associated players listed here: 1) **Policy field players**: Regulatory bodies, Educational institutions, Research Centers, Communities of practice and Industry associations; 2) **Process field players**: Owners, Operators, Project managers, Architects, Engineers, Developers, Contractors, Estimators, Surveyors, Suppliers and Fabricators; 3) **Technology field players**: BIM technology developers, technology advocates, BIM hardware and network related service providers.

BIM is widely accepted in delivering both building and non-building projects as listed here: 1) **Building projects**: Commercial (offices, retail, hotels, etc.); Institutional (Educational, Healthcare, religious); Government or publicly owned buildings (Court houses, embassies, Civic or sports and convention); Multi and single family residential; 2) **Non-building projects**: Industrial or manufacturing; Infrastructure (Highways/roadways, bridges, tunnels, dam, water/waste water); Industrial /Energy (primary power generation, oil/gas facilities); Mining and natural resources.

Regards,

Founder & President, India BIM Association.

Dr. Amarnath Chegu Badrinath  
B.E. M.E. M.S. Ph.D.

**Benefits:** Why join IBIMA as an Associate Member? When you become an Associate member, you become a part of the dynamic changes that are transforming our Indian AECO Sector, by helping to shape the future of AEC provides the tools and resources to help get you there, by advancing your career and enriching your knowledge with life-long learning resources. enhances the knowledge, skill and competency of engineering professionals In Indian AECO sector.

- Networking opportunities and knowledge sharing sessions with Indian AECO sector professionals focused on BIM and Digital Engineering.
- Career centre, where you will find job opportunities related to BIM (to be coming soon).
- Unique volunteering opportunities to gain hands-on experience and knowledge of the Indian market.
- BIM library and webinars on hot topics, presented by today's innovators.
- Discounted prices for online courses and certifications from IBIMA corporate and institutional members targeted toward essential bim skills and competencies.
- Discounted prices to attend BIM tours, seminar, workshop and summit.
- Associate member Profile on society page.
- Updates on latest Global BIM News.

### PIBIMA-Professional Membership

Professional members can serve as IBIMA's BIM Consultants to serve AECO- Architectural, Engineering, Construction and Operation organizations on project basis. This applies to those who have a Degree or above in relation to Building, Construction and Engineering, or as recognized by the Board from time to time; AND minimum three years of experience in BIM application or management as recognized by the Board from time to time; Minimum three years of BIM working experience includes planning, designing, administrating and operating of BIM projects, counting prior to the submission of application form; Portfolio of project (s) to be submitted; Proof of BIM courses attended, including in-house training, short BIM courses, and degree courses; Passing an interview offered by the institute; these members shall have the rights to vote. One-time membership fee: INR 30,000.

**Benefits:** Why become a Professional member at IBIMA? When you become a professional member at IBIMA, you will be working with IBIMA as a BIM Consultant. BIM Consultants will be serving IBIMA's institutional bodies in Establishing BIM Project strategies, BIM Maturity Assessments and Certifications, Designing Project specific BIM Guidelines, and overall joining hands to mature Indian AECO sector with BIM and Digital Engineering. You will be invited to participate in BIM consultant meetings organized throughout the year. These meetings present the opportunity to network with the key BIM Experts in this growing industry and to participate in and learn from discussions shaping international best practice BIM technologies, processes and policies.

- Opportunity to work hand-in-hand with IBIMA's institutional bodies and successfully deliver BIM projects in Indian AECO Sector.
- Ability to serve Indian AECO sector as an IBIMA's certified BIM Consultant.
- Opportunity to learn and work with IBIMA and its experts on establishing BIM project strategies, maturity assessments, education and training, policy development and organizing events.
- Networking opportunities and knowledge sharing sessions with Indian AECO sector professionals focused on BIM and Digital Engineering.
- Career centre, where you will find job opportunities related to BIM (to be coming soon).
- Unique volunteering opportunities to gain hands-on experience and knowledge of the Indian market.
- BIM library and webinars on hot topics, presented by today's innovators.

- Discounted prices for online courses and certifications from IBIMA's corporate and institutional members targeted toward essential BIM skills and competencies.
- Discounted prices to attend BIM tours, seminar, workshop and summit.
- Associate member Profile on society page.
- Updates on latest Global BIM News.

#### GIBIMA-Student/Graduate Membership

This applies to students currently enrolled in the tertiary institutions with interest in BIM; Tertiary Institutes recognized by the Assessment and Examination Committee. The subject of study of the students shall not form the criteria of assessment. Rights: Same as Associate Membership members but the GIBIMA shall not have the right to vote.

One-time membership fee: INR 3,000

**Benefits:** Any Educational Institution maintaining IBIMA Membership can offer their students IBIMA Student Affiliate Members at discounted cost. They are able to participate in supporting the IBIMA BIM field players committees and therefore contribute to the process of developing various initiatives alongside Industry leaders.

- BIM Resume design and showcase on IBIMA's BIM ready graduates page.
- Industry research opportunities – engage industry leaders to complete student research projects.
- Student Ambassador Program – Student leaders form a student operated group that hosts industry speaking engagements backed by IBIMA's Industry network.
- Networking through tasks and initiatives with industry leaders and R&D Experts.
- Educational learning opportunities - learn about BIM and AECO organizations.
- Recognition for contributions - Certificate of Participation.
- References letters for career purposes provided by IBIMA and other Industry Leaders.
- Eligibility to submit application for Active member position at IBIMA.
- All other privileges an IBIMA Member receives.

#### IIBIMA-Institutional Membership

This applies to Public/ Semi-Public/ Private sector institutions such as AECO educational institutions that can participate, aim at diffusing BIM in tertiary education system; these members do not have the right to Vote.

One-time membership fee: INR 3,00,000.

**Benefits:** Joining IBIMA as an Educational Member Institution gives you a seat at the table with Industry leaders. It is an opportunity for the AECO department students, researchers and academic experts to get involved, learn from others and drive the conversation forward.

- Opportunity to host IBIMA Seminar and Workshop at your facility and offer Industry and Academic presentations showcasing your institution.
- Brand alignment and association with Industry leaders in BIM.
- Opportunity to participate in driving change in the industry through participation on the IBIMA's Policy field players committee focusing on BIM curriculum developments, policy making and research & development on best practices.
- Opportunity to collaborate with AECO organizations in R&D for delivering BIM projects.
- Free diffusion on BIM fundamentals course in your curriculum with IBIMA Certification.
- Guidance on design and diffusion of beginner, intermediate and advanced BIM courses in your curriculum at a discount price.
- Access to membership benefits for three academic experts included in just one Membership fee.
- Educational members are also able to offer their enrolled students – "The Student Affiliate Membership" at discounted cost to the educational institution or the Student.

#### CIBIMA-Corporate Membership

This applies to Public/ Semi-Public/ Private Sector corporate such as AECO that can participate, aim at promoting the BIM usage in building industry; these Corporate Members do not have the right to vote.

One-time membership fee for micro enterprises (Less than 10 employees): INR 1,00,000.

One-time membership fee for small enterprises (10 to 49 employees): INR 1,50,000.
